The Basic 8-Point Commission Structure

Start building wealth with Enagic®!

There are 6 ranks (1A-6A), all ranks have 8 levels to pay.

In order for you to advance in rank, you and/or your team need to accumulate a specific number of sales. A distributor can advance directly from 1A (must have 2 direct sales) to any other rank when the accumulated sales volume meets the stated requirements.

For example:

You are 1A with two direct sales. You become 2A when you sell a 3rd unit. OR you can jump directly to 6A from a personal sale if the total amount of units sold in your team is at least 100.

The chart below will give you an idea on how you can rise in rank with the sale of SD501 units alone.

The Basic 8 Point Commission Structure pays through 8 points within 8 levels

* \$235 base + \$50 (SP**) = \$285
 ** SP: Special Point. Given when you have a direct sale within 90 days.

How do I earn income?

Becoming 2A

Let's say you start off with selling 2 units. You are now 1A! The people that bought your units, like it so much that they sell 2 units each.

Direct sales:

$$2 \times \$285 = \$570$$

Indirect sales:

$$4 \times \$285 = \$1,140$$

Total sales:

6

Total earnings:

$$\$1,710$$

Jumping from one rank to another

When you make an additional personal sale you become 2A and eligible for a higher commission!

Direct sales:

$$1 \times \$570 = \$570$$

Indirect sales:

$$5 \times \$570 = \$2,850$$

Total sales:

$$\text{previous } 6 + \text{new } 6 = 12$$

Total earnings:

$$\$5,130$$

12 units sold means that you rise to 3A!

6A

Fantastic compensation for 6A

When you have 100 or more total sales in your team, your next personal sale promotes you to the rank of 6A!

By helping other teams to reach 6A you become 6A2, 6A2-2 and so on...

This is a very exciting level of achievement because of the tremendous income you will earn in the way of awards! Not only do you continue earning from the 8 point commission structure, but you also become eligible for additional award streams!

Additional Income Streams

Educational Allowance

Paid daily. Available to all 6A distributors and higher. Earn \$200 for each unit sold below the 8 points, without limitation of levels, down to but not including the next 6A distributor.

6A Step-up Award

This award is for existing 6A distributors. The award is paid to you if one of your downline becomes 6A. The amount calculated depends on how many new 6A's had groups sales in beginning of the past month. The award will be discontinued once you become a 6A2. In other words, you will be paid for six months for the 1st new 6A in your downline, but the 2nd new 6A's award pays you only one time because it makes you a 6A2.

6A Title Incentive

Once promoted to 6A, 6A2, and etc, you have 3 months to strive toward earning an additional Incentive.

- 1st Month requirement: 10 units sold
- 2nd Month requirement: 15 units sold
- 3rd Month requirement: 20 units sold

6A 8 Level Group Incentive (quarterly)

The incentive per 8 Level Group sale paid as follows:

A) Your quarterly total 8Pt sales are 3* or more
= \$14 per unit.

*If you are 6A2, you need three quarterly total 8Pt sales. If you are 6A2-2, you need six quarterly total 8Pt sales.

6A Group Sale Award

Award amount calculated depends on how many total group sales your 6A group made, and also how many direct sales you made in each month. Paid monthly and quarterly.

Ukon® DD Commission

Ukon® DD customers sign up to receive an automated shipment of Kangen Ukon® every 4 months. Enagic® compensates 8 points for every Ukon® DD sale, providing distributors with long-term residual income. Each point is worth \$40, and distributors must make 3 direct sales before they are eligible to receive their commission checks.
