

Upgrading to Kangen Water Technology	VS.	Continuing things the same way
No longer ingesting oil based herbicides, pesticides & insecticides for yourself and family for the rest of your lives.	Oil-Based Chemicals on Foods	Continue to consume oil based herbicides, pesticides & insecticides causing damage to health of self & family.
No longer ingesting chlorine for yourself and family for the rest of your lives.	Chlorine	Continue to consume chlorine through washing food in chlorinated tap water & cooking with chlorinated tap water
Save time on cooking due to micro-clustered water which brings out flavors quicker and boils/freezes quicker	Time	Continue with old methods and do not infiltrate time saving methods.
Save money on cost of ingredients due to micro-clustered water. (Increases absorption, brings out more flavor, in turn needing less ingredients.)	Ingredient Costs	Continue with old methods and do not infiltrate money saving methods.
Improve flavor of all ingredients used with Kangen Water.	Flavor	Continue with old methods and deny optimum taste, flavor, savory-ness, etc. of consumable products.
Receive a business that could yield hundred of thousands of dollars with a built in success team to help you along the way for NO EXTRA COST.	Business Opportunity	Continue with same source of income and let wave of health and wealth (that is going to happen with or without you) pass by.
Be thanked for helping people's health by exposing & educating them on benefits of Kangen water technology. "Applied Knowledge is Power!"	Appreciation For Health Benefits	Continue to see and experience more suffering of people not enlightened to benefits of life changing Kangen Water technology as they struggle to look for more band-aid treatments instead of treating the root cause "If you think education is expensive, try ignorance"
Keeping your body at a level of optimum hydration and as alkaline as possible will help stave off disease, cancers, chronic acidosis for as long as possible. Disease thrives in an acidic state where as health thrives in an alkaline state.	Health Insurance	Continue ignorance and invite more disease, cancers & chronic acidosis. Americans spend the most on health care yet we are one of the most unhealthy countries in existence.
Become Hydrated 5-6 times better everyday for the rest of you and your families life. 75% of Americans are chronically dehydrated.	Hydration	Continue methods of sub-par hydration which then leads to chronic acidosis which then invites a plethora of ailments by providing a preferable acidic environment for disease growth.
A staff of people who have it in their best interest to help you with info, knowledge tips, strategies, system to plug into, etc. You always have someone to go to for help and assistance, all for free!	Success team w/ vested interest in your success!	Be on your own to try to find info not knowing best places to look not saving yourself time, energy, etc.
